

Assistant machine operator

Locatie **Flevoland, Lelystad**
<https://www.advertentiax.nl/x-1802245-z>

We are offering a job as a machine operator assistant for pre-processing at a rubber company. If you want to work in an organization where standards and values are of paramount importance? Do you want the opportunity to further, develop your technical knowledge and skills. Read on!

Bedrijfsomschrijving

As an assistant operator in our team, you will have the opportunity to develop your technical knowledge and skills in the rubber field. Our company provides high-tech solutions for molded rubber products and rubber-metal compounds. Since 1955, we have been an international specialty and manufacturing company with nearly 200 experienced employees, state-of-the-art research facilities and innovative R&D. If you are ready to take on the challenge and join our dynamic company, we look forward to receiving your application!

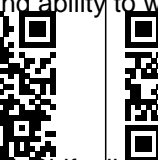

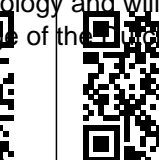

Functieomschrijving

As an assistant to a machine operator, you will prepare machines and equipment for operation (assembling appropriate tools, setting technological data). As a machine operator assistant, you will operate and supervise both individual stations and production lines used to shape products together with the operator. As a machine operator assistant, you will perform product inspections to ensure that products meet our quality standards. You'll check that the daily and weekly production schedule goes according to plan. One minute you'll be working independently and the next you'll be working together with a colleague. The production coordinator and quality staff are around to support and assist as needed. Your contribution to improving processes, techniques and ARBO and environmental policies will be welcomed.

Functie-eisen

Experience as an operator assistant or pretreatment worker; Interest in technology and willingness to learn; Good work mentality and ability to work both independently and as part of a team; Ability to process data; Knowledge of the Dutch language; Own initiative and motivation.

Salary between €2300 -€3200 depending on knowledge and experience; 40 hours per week; Shift allowance of 7% for morning shift; Shift allowance of 19% for the evening shift; Variable shift work from 06:00 to 14:30 and 14:30 to 23:00; Working hours: 06:00 to 14:30 and 14:30 to 22:00; Possibility of permanent contract; Holiday bonus 8%; Reimbursement for each kilometer 0.21 € over 10 km. A place in a cool team. Website easy apply. jobs/r
