

## Stoere VLX 600 Honda VT600 C Shadow - VLX600 Custom Koopje (1.600 EUR)

Locatie **Zeeland, Kapelle**  
<https://www.advertentienx.nl/x-1802479-z>

RIMIParts biedt aan;

Nog nette & goedrijdende Honda VLX600 Shadow Custombike.

Afkomstig van de 1e (NL) eigenaar (in 1991 op NL kenteken gekomen), motor start en rijdt goed (alles werkt), en is o.a. voorzien van een sissybar.

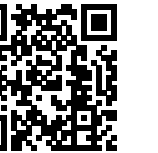

Heeft 15185 miles op de teller ( 24296 km ) 600cc V-twin met 30 kw / 41 pk.

kan eventueel ook een mooie basis zijn voor ; zelfbouw / chopper / custom / hardtail-look / v-twin / vt600c / vlx600c / shadow / custombike...

Extra scherpe "Zo Mee" prijs, omdat deze VLX Shadow toe is aan een set nieuwe banden + onderhoudsbeurt!

Wij rekenen geen afleverkosten, de prijs die bij de advertentie staat is de prijs die u betaalt. Met biedingen op onze motoren of vragen over inruilwaarde van uw eigen motor kunnen we op afstand niet zo veel. Wij vinden het prettiger als u de moeite neemt ons te bezoeken.

Let op; Geopend op afspraak!

|                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |
