Yamaha Dragstar 650 - Lage KM (3.500 EUR)

Locatie **Noord-Holland, Amsterdam** https://www.advertentiex.nl/x-1802497-z

With a broken heart, I'm selling the coolest bike I ever had.

The reason for that is I'm staying abroad for longer periods, so I'm not able to ride as much as I would like.

This motorcycle was always very well maintained and anybody that buys this bike will certainly have some incredible rides and have a unique model.

The KMs are really low for the age of this bike, last maintainance was done about 6 months ago, and then it was properly stored, since then I've only ignited to make sure the battery still good.

It has a dent in the fuel tank and a scratch in the crash bar (those can be seen in the last two pictures). I'm not trying to hide it, but I don't have time to look for a replacement, so I'm already discounting it in the price.

Feel free to send any questions you may have!

Note: Stupid offers will be!
