

## Suzuki 600 bandit (1.250 EUR)

Locatie **Utrecht, Hagestein**  
<https://www.advertentiax.nl/x-1803868-z>

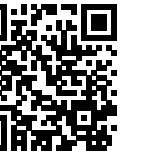

Nette Suzuki bandit 600

Voor de winter olie vervangen  
 Begin 2023 vervangen:  
 - Banden zowel voor als achter  
 - Achterveer  
 - handvaten  
 - spiegels  
 - knipperlichten (kleine)

Moter is helemaal goed. Starten en wegrijden.

Wegens andere motor is er in 2023 bijna niet op gereden. Daarom doe ik hem ook weg.

(Paddock standaarden op foto zijn niet)

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |
