Volkswagen Polo 1.2 Rood 5-Deurs 2010

Betreft een super nette zuinige auto.  
 Motorisch en technisch is de auto 100%.  
 Rijdt en schakelt dan ook werkelijk nog als nieuw, zonder mankementen of bijgeluiden!

Inclusief twee elektronische klapsleutels!

De auto staat op 4 erg nette banden!

De auto heeft nog APK tot 30-11-2024.

Reeds vervangen:

- Olie + Oliefilter
- Distributie ketting ' 118.000Km '
- Bougies en bobines

Opties:

|                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |
