

## Mini Clubman 1.5 ONE 2017 Zwart (13.250, EUR)

Locatie **Drenthe, Coevorden**  
<https://www.advertentiax.nl/x-1812017-z>

Onze prachtige mini clubman verkoop ik om dat ik voor een Internationale NGO ga werken in het buitenland. Dit was niet zo gepland. De auto verkeerd in goed.

|                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                       |
