

## **Light phone 2 Grey (200 EUR)**

Locatie **Flevoland, Almere** https://www.advertentiex.nl/x-1813445-z

Minimalist phone with an e-ink screen. Barely used for a few months.

Complete with an installed screen protector, a new screen protector in box, and a case.

International version, used mainly on the KPN network. Compatibility with other operators can be checked on the official website. (Google for "lightphone compatibility checker")

Something between a Smart and a Dumbphone, perfect for a Digital.
