

Employee loading

Locatie **Noord-Brabant**
<https://www.advertentiax.nl/x-1814881-z>

To strengthen our enthusiastic team, we are looking for a full-time loading/unloading crew employee with overhead crane experience. Our client is one of the largest independent steel distribution and steel service centers in the Benelux, founded in 1893 and traditionally a family business.

Bedrijfsomschrijving

Maintec International offers you a job in a company where modernization plays an important role. The company operates from an ultra-modern steel distribution and service center, where it uses modern machines, which are largely powered by solar energy, and the plant area is 70,000 m2. Have we aroused your curiosity? Don't wait any longer and apply!

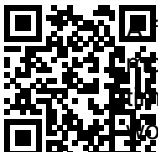

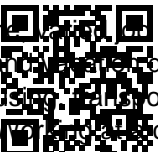

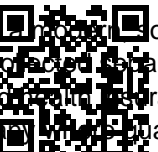

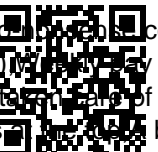

Functieomschrijving

Loading and unloading of steel products, where semi-trailers must be unloaded properly. Operation of machines supporting loading and unloading of steel products, such as a crane, etc. Preparation of orders according to customer requirements. Performing various other joint (production) activities in our warehouses.

Functie-eisen

A quality-conscious person, with a flexible, accurate attitude, Able to work both independently and in a team, Willingness to work alternately in the evenings (2 shifts), Experience with overhead crane is a plus, Good command of the English language, Driving license.
