

## Apple MacBook Retina 2017, 12inch, Gold, 8GB RAM, 512GB SSD (300 EUR)

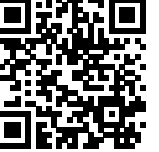

Locatie **Utrecht, Utrecht**  
<https://www.advertentiax.nl/x-1816731-z>

Apple MacBook Retina 2017, 12inch, Gold, 8GB RAM, 512GB SSD.

Manufacture date: 05-2019.  
 Retina Display: 12 inch, 2304 x 1440 pixels.  
 Processor: 1,3 GHz Dual-Core Intel Core i5 (3,2 GHz TB).  
 Geheugen: 8 GB.  
 Opslag: 512 GB PCIe SSD.  
 Videokaart: Intel HD Graphics 615 / 1536 MB.  
 macOS: 13 Ventura.  
 Kleur: Gold/Goud.  
 Model: MacBook 10,1 (model 2017).  
 Battery: 284 charge cycles.  
 Incl. Apple charger + USB-C kabel + originele doos + laptotasje van Incase.

Af en toe reageert de trackpad niet goed, maar dit is meestal ook weer snel over.  
 Mogelijk vervangen van de trackpad is schijnbaar vrij eenvoudig, maar ik heb zelf inmiddels al een andere laptop.  
 Los hiervan is de laptop in uitstekende staat.  
 Handig licht van gewicht en compact van formaat.

|                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                       |
