

# Peugeot 207 1.6 VTI Premire Jaar APKCruiseClimateNavi (2.200, EUR)

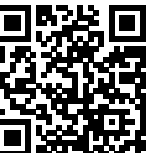

Locatie **Groningen, Winschoten**  
<https://www.advertentiex.nl/x-1819255-z>

Wegens aanschaf van een andere auto is deze mooie peugeot van mijn vriendin nu overbodig.

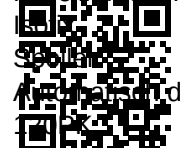

APK tot 06-02-2025/ Heel jaar APK!

Mooie auto bomvol opties.

- o.a.
- Regensensor
  - Lichtsensior
  - Climate control
  - Airco
  - Cruise control
  - Stof bekleding
  - Navigatiesysteem
  - Communicatiesysteem -> handsfree bellen
  - Led dim verlichting achter
  - Lichtmetalen velgen.
  - Armsteun
  - Sportief uiterlijk

|                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |

Voor APK reeds vervangen wiellagers achter en stuurkogel. Ook vervangen accu, bobine en bougies.

202000 km ongeveer. Kan iets oplopen. Auto staat nu voornamelijk stil.

Beide sleutels aanwezig echter werkt het knopje van de centrale vergrendeling niet op de sleutel

---

Climate control unit geeft een slechte optische weergave. Werkt wel.

Airco moet afgevuld worden o.i.d. Vanwege de aanschaf van een nieuwe auto hebben wij dat niet meer laten uitzoeken of laten afvullen.

Doe een goed bod en wellicht rij je deze week nog in deze prachtige!
