This Ducati 748 bi-posto, year 1998, runs PERFECTLY. About 21000 km. Amazing Ducati Sound with the slipper clutch and aftermarket exhausts.

Complete service at the official Ducati dealer (all fluids, filters, timing belt, etc) less than year ago. Break pads in good condition.

I imported this Ducati from USA, where I bought it, therefore instrumentation is in US system (miles, mi/h, F). It is regularly imported and registered in the Netherlands and it can freely circulate.

I love motorcycles and I always had great care of it, always stored indoor. I used it just for pleasure. Best rides ever! but I have to sell it because I will move abroad in a few months, and I am not sure I want to bring it with me.

Please contact me by email or phone (+31646941445) ONLY IF SERIOUSLY INTERESTED. very small space for negotiation.

I'll also give you a bike cover and a breakedisk lock.

Upon request I can also sell you a new heavyduty chain+lock (80euro) and battery charger (40euro)
