

## HP Proliant DL 380 g7

Locatie **Zuid-Holland, Zoetermeer**  
<https://www.advertentiax.nl/x-1828087-z>

CPU: 2x Intel® Xeon® X5670 2.93GHz Six Core ( 12 Core 24 Threads )

Geheugen: geen PC3-10600R (DDR3-1333) Unbuffered DIMMs, Totaal 18 dimms. 288 gb RAM max. mogelijk.

Network: Two HP NC382i Dual Port Multifunction Gigabit Server Adapters

Storage: HP Smart Array P410i

iLO3

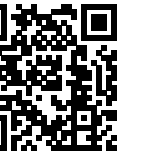

Standard: 8 SFF SAS/SATA HDD Bays (2.5 inch)

Optical driver: DVD-Speller

Power Supply: 2x 460W Hot Plug Power Supply

Form Factor: Rack (1U),

Serial - 1; Pointing Device (Mouse) - 1; Graphics - 1; Keyboard - 1;

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |
