

NEW Urban Arrow E-Cargo Bike - Performance Essential (white) (5.000 EUR)

Locatie **Utrecht, Utrecht**
<https://www.advertentieX.nl/x-1829373-z>

We are selling our nearly brand new Urban Arrow E-Cargo Bike - Performance Essential (in white). We purchased the bike on January 3, but unfortunately the bike doesn't meet our specific needs. The bike is pristine with a current odometer of 143km. The bike comes equipped with all the standard features of the Performance Essential line (no major modifications off of the base offering), but we added a Maxi Cosi adapter and have a secondary rear-facing bench that is still in the box/uninstalled. The bike is equipped with a GPS tracker and the original Abus key set. We are offering the bike for €5,000.00 or best offer. Keep in mind, we bought this for €6,400.00 (with the GPS) only a month ago, so this is a solid.
