This one has a slot for sd card and internal storage

Miniusb cable included

Can present any ebook format incl pdf

Can show pages numbered

The item's state is used by more than 10 years but still functioning in good shape

Sending at your costs

Sony Reader PRS-650

The PRS-650 was launched in August 2010 and it is also known as the "Touch Edition". The PRS-650 was announced at the same time as the touch-screen PRS-350. It is Sony's mid-range device, priced at US\$229. As the replacement for the PRS-600 model, it is Sony's higher-scale, touch-screen edition of the reader. It has a similar interface to the PRS-350.
