OFFERED FOR SALE:

Very well-driving and well-maintained Peugeot 308 SW 1.2 from 2016.

The car has 4 beautiful 16-inch alloy wheels with good tires and has always been well maintained, which is reflected both on the inside and outside of the car. The car is basically fully equipped with everything you need for you. Climate, electrical package, cruise control, speed limiter, rear parking sensors and camera, GPS navigation, automatic LED lighting, tow bar, automatic wipers, Bluetooth, etc. The car is also MOT approved until end of April 2024

Car has normal signs of wear commensurate with age, such as small spots in the front and very small scratches near the door handles, from normal use.

I will not accept low offers, serious buyers only please.
I am selling as I want to buy an electric.
