

Acer 32quot XB321HK 4K Ultra HD Monitor (175 EUR)

Locatie **Zuid-Holland, Brielle**

Ik verkoop mijn computer monitor i.v.m. overstap naar een groter scherm. Het scherm is in zeer goede staat en heeft een prachtig beeld, geen beschadigingen en alles werkt ook prima naar behoren. Originele doos en aankoopbewijs zijn aanwezig. De HDMI-ingang werkt echter niet goed meer maar deze gebruik ik zelf niet, gebruik de Display poort ingang.

Uitstekende grote monitor, doe een goed bod en hij is van jou
