

# samsung galaxy s22 (250 EUR)

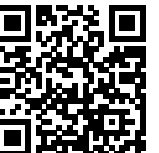

Locatie **Utrecht, Utrecht**  
<https://www.advertentiax.nl/x-1840112-z>

samsung galaxy s22 gebruikt.

Heeft zoals je ziet gebruiksporen, paar kleine krasjes op het scherm maar niks echt kapot. En zoals natuurlijk te zien is op de foto's wat cosmetische schade op de randen, dit is niet meer te zien met een hoesje. Verder werkt alles nog naar behoren.

Heb zelf een

|                                                                                                                                                                                                                   |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |
