This monitor belongs to my friend, he bought a 49 inch monitor(can be seen in photos), so he is selling this one. It is curved QHD, has usb-c hdmi display inputs. Can be adjustable to any angle.

The location is mine, and I have it in Eindhoven. I can help to carry it for you.

Monitor is in great shape, almost like new, has been used around 1.5 year. No dead pixels are present, it is like new. You are welcome to come and test it.

Feel free to message.
