### Functieomschrijving

Als (mini)kraanmachinist ben je werkzaam in de kabels en leidingen. Je gaat samen met je collega grondwerker en monteur werken aan diverse infra- en civieltechnische projecten.

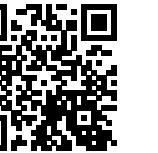

Je kunt hierbij denken aan het leggen en saneren van kabels en leidingen.

Naast het werk op de kraan assisteer jij je collega's met grondwerk, het leggen van kabels en leidingen en het dichtstraten van sleuven en straatwerk.

Dit ga je doen:

Graven en dichten van sleuven  
 Kabels en leidingen aanleggen  
 Assisteren van de grondwerker en de monteur  
 Herstelwerkzaamheden aan bestrating.
