

## Microsoft Surface Pro 4 - I5

Locatie **Zuid-Holland, Ter Aar**  
<https://www.advertentiax.nl/x-1843123-z>

Alle gegevens van de Tablet kun je op de foto zien, draait geweldig op Windows 11. Er zit van alles bij echt compleet. Ophalen heeft de voorkeur ook omdat je dan kan zien dat alles in prima staat is. Verzenden kan maar alleen verzekerd. Kosten verzenden komen er wel bij. Doe een bod naar waarde, op domme biedingen wordt niet gereageerd en.

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
