

Grill-oven Tefal 33 L

Locatie **Utrecht, Utrecht**  
<https://www.advertentiax.nl/x-1843849-z>

een compacte, vrijstaande oven te koop met 6 automatische programma's en een netto inhoud van 33 liter. Ik heb hem nog nooit gebruikt. Hij is nog ingepakt zoals ie bij mij afgeleverd was.  
Reden verkoop : Ik heb een grotere.

|                                                                                                                                                                                                                              |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |
