My motorbike is in very good condition as driving condition and make-up.
 I changed the rear tyre as Metzeler Tourance Next-2 3 days ago and it is zero.
 In addition;
 Crash bar,
 There is a long tour glass and the original glass will also be given,
 Foot extension,
 Tank top windbreak,
 62 litre top case,
 all functions work perfectly.
 12.000 km all maintenance has been done at the authorised service and the next service will be done at 24.000 km.
 Service booklets and spare key are.
