

## Custom pc Nvidia 4090 7800x3D (3.500 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiex.nl/x-1850828-z>

Ik heb besloten om een pc te bouwen, echter realiseer ik me nu dat ik er amper gebruik van ga maken in verband met werk. Ik heb dan ook liever dat het naar iemand gaat die er echt gebruik van gaat maken.

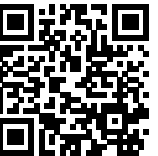

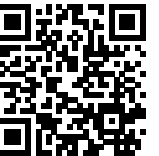

De specs zijn als volgt:

CPU: AMD 7800x3d  
 GPU: Gigabyte GeForce RTX 4090 GAMING OC  
 HDD: Seagate HDD 3.5" 4TB ST4000DM004 Barracuda  
 Cooler: Corsair iCUE H170i Elite LCD  
 Extra's: Lian Li STRIMER Plus V2 24-Pin, 7 Inch scherm intern en Cooler Master gpu bracket.  
 Fans extra: 3x 120mm Corsair QL120  
 NVME: Samsung 980 1TB M.2 SSD  
 MOBO: Asus TUF GAMING X670E-PLUS WIFI  
 Ram: Corsair DDR5 Vengeance RGB 2x16GB 6000  
 PSU: ASUS TUF Gaming 1000W Gold PSU  
 Case: Corsair iCUE 7000X

Alles is ruim 6 maanden oud daardoor nog volledig garantie, alle bonnen en dozen zijn beschikbaar bij overname.

Onhalen is alleen mogelijk aangezien het meer dan 30kg weegt.

Wat ik ook wil:

|                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                              |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |
