Kitesurf Heup harnas/trapeze in goede staat, geen mankementen, safety knife aanwezig. Gebruikt in zoet en zout water, altijd goed afgespoeld en onderhouden. Het is een prettig en toegankelijk harnas om mee te leren kiten. Ik verkoop dit harnas omdat ik met een hardshell harnas ben gaan kiten.

BRUNOTTI NIGHTBIRD MULTI-USE WOMEN HARNESS DESCRIPTIONWith a full EVA grip liner Brunotti have designed a harness that does not slip or twist and stays locked in nicely while the Nightbirds Fixtips design allows you to merge the spreader bar cover into the sides of the harness for a more stabilised and secure fit. A featherweight spreader bar is a feature Brunotti have added to create this super lightweight harness, another includes a H2O Weightlock to which any unnecessary water absorbent fabric and pockets have been removed to maintain the Nightbirds dry weight as much as possible.

Although this is not a hard shell harness, the Brunotti Nightbirds for those looking for that raw support and lightweight feel of a performance level harness. With four way spreader bar webbing straps to keep the harness from riding up the Nightbird is the harmonic combination of performance, comfort and support that every girl needs in their riding.
