

# Opel Astra 1.0 Turbo 77KW 5D Easytr 2016 Zwart (11.500, EUR)

Locatie **Noord-Brabant, Breda**  
<https://www.advertentieX.nl/x-1854863-z>

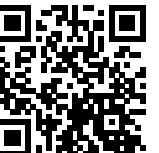

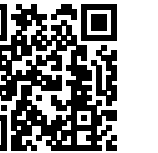

Hierbij een leuke Opel Astra 2016 105PK Full opties Deze auto is zowel van binnen en buiten in zeer nette staat de Opel is een comfortline uitvoering uit het jaar 2016 met de 1.0 Turbo motor is deze zowel nog al krachtig en zuinig op de weg . Km stand is 158000 KM NAP zuinig Auto ritjd/schakelt goed Automaat

Voor en achter stoel verwarming  
 AppleCare play  
 Open dak en panorama  
 Stuur verwarming  
 Kruis controle  
 En veel meer ander opties.

Het verbruik van deze personenauto is gemiddeld 4,3 liter per 100 km en hij weegt 1163 kg. De APK is geldig tot 06-09-2024 en de wegenbelasting bedraagt gemiddeld € 159,58 per kwartaal.

Helaas ben ik inmiddels een andere auto aan het kijken.  
 Daarom moet deze auto weg.

Auto is altijd netjes onderhouden en functioneert perfect!! Motor functioneert 100%

|                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |
