Operator

Bedrijfsomschrijving

The client is a leading player in the food industry and is one of the largest processors of peanuts and nuts in Europe. With a rich history of high-quality production and processing of raw materials, our client supplies well-known brands worldwide, ranging from snacks and cookies to ice creams and sauces. They not only offer a stimulating working environment, but also invest in the growth and development of their employees. Through a wide range of opportunities in different departments, from office to production and warehouse, they strive to create a diverse and inclusive workplace where employees can develop their skills and ambitions. The company values a positive work culture, teamwork and providing opportunities for personal and professional growth. With a focus on sustainability and social responsibility, they contribute to a healthy and tasty world.

Functieomschrijving

Are you looking for a job in 2 or 3 shifts in Giessen ? Do you have experience in (food) production and are you ready for a new challenge? Then you might be the operator we are looking for!

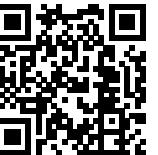

As an oven & pasta line operator, you are the key figure in the process from raw peanuts to high-quality

peanut products. You are responsible for operating the machines professionally and optimizing various parameters in the production lines. You will work on the oven and pasta line. You have a lot of places with different tasks.

These are the tasks you will perform:

Carefully setting the oven based on customer wishes and product specifications. Continuously monitoring and adjusting the oven settings for consistent quality. Carrying out interim quality checks to ensure the quality of the product. Operating machines that grind peanuts into high-quality peanut paste. Closely monitoring the grinding process and making adjustments where necessary. Producing the desired peanut paste according to recipes and customer specifications. Carefully mixing and processing ingredients for optimal taste and consistency. Carrying out detailed quality checks on the peanut products.
