## Silicone mermaid tail for swimming made by mertailor (800 EUR)

Zuid-Holland, Rotterdam Locatie

https://www.advertentiex.nl/x-1857119-z

Waist 75 cms Hips 90 cms Calves 58 cms Ankles 48 cms

(All measurements are approximate, I measured around the tail as I do not have the measurements I submitted to the mertailor anymore)

Small monofin, most likely fit women's sizes EU 31-39

Price does not include shipping, it weighs 15kg (30lbs) and I'm willing to ship world wide. I haven't worn the tail in 7 years but it is fully functional and safe to swim in.

I am willing to negotiate:)
