

Laser Two Trees TS2 20W (750 EUR)

Locatie **Friesland, Surhuisterveen**
<https://www.advertentieX.nl/x-1857315-z>

Two Trees laser engraver

Inclusief enclosure met afzuiger, airassist en honeycomb. Helemaal compleet. Nagenoeg niet gebruikt.

Why Choose TS2-20W

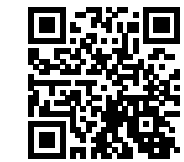

Laser Spot 0.08mm
 LD+FAC+C-lens technology enables the spot reach up to 0.08mm, and get much cleaner, thinner, smoother, deeper cuts. 10W super power laser supports high moving speed under strong stability.

Neat layout
 Double drag chain structure for X-axis and Y-axis wire harness safety management.

Safer to Use
 Flame detector, fire alarm, and smart auto power off function for maximized safety.

Support Offline Engraving

The APP makes it more convenient and fun to use. You can connect and control easily via USB or WIFI.

Ultra-powerful Cutting

10W laser module with compressed spot technology for clean, thin, smooth and deep cuts.

Fast Auto Focus

The focus operation is completed by specifying the rising height of the Z axis in the software, and the focal length of laser engraving and cutting is automatically adjusted.
