

Zeilboot Nadine 24 (8.000 EUR)

Locatie **Noord-Holland, Bussum**
<https://www.advertentiax.nl/x-1859303-z>

Pure sailing fun without frills, yet amazing comfort below deck We are selling our Nadine 24, a comfortable sports cruiser designed by Hans Heß and built in 1985 in the shipyard of German yacht builder Walter Göbel. Today she is a real rarity. When the designer drew this boat, he had a smaller Swan 38 in mind. The beautiful lines of this boat are the result. The boat type was chosen by the German navy for the training of marines. The Nadine 24 moves very smoothly over the water and is very comfortable to steer. This beautiful boat has very good sailing characteristics in light and heavy weather. The self-draining cockpit is deep and covered. The boat can easily be sailed and operated by one person from the cockpit.

She is based in Naarden.

The boat has been fully renovated over the years:

- NEW
- Sails
- Lines
- Rigging
- Furling System
- Electric and electronic on board
- Plumbing
- Gas stove

- Woodworks

More pictures are available also from before the works. Send me a message if interested
