The Specialist in the co-creation and production of vegetarian and vegan products, looking for production workers for the operator's production department. Our client started his business as a butcher in downtown Oss in 1975, and over time has grown into a specialist in developing and manufacturing delicious meal ingredients, snacks, and ingredients, both vegetarian and vegan. Would you like to participate in this, in a growing organization with nice colleagues? Then you can quickly get started in the Production Department, the heart of organization.

Bedrijfsomschrijving

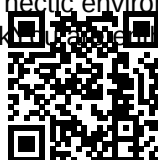

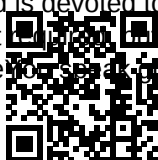

Working for this client means working in an innovative and enthusiastic company with an open and relaxed atmosphere and where everyone can be themselves. People at all levels of the company love to create delicious products. Our enthusiasm is visible throughout the company. We are all ready to go one step further: for our customers and for each other. People of different nationalities work here, and they ensure a good mix. Together they create a pleasant and professional working atmosphere. Are you the operators we are looking for at Maintec? Don't wait any longer and apply!

Functieomschrijving

You ensure that a good product rolls off the production line in a multi-shift operation. This means that you operate the machines and carry out quality checks. With your eye for detail, you can spot any deviations. No day is the same as an operator. One minute you're improving a production line. And the next moment a malfunction has occurred, and you provide the technician with the correct information.

Functie-eisen

You are eager to learn (this is necessary because the first period is devoted to learning on the job) You are prepared for work in a busy and hectic environment and ready to get to work. You have experience in a similar position. Not a problem. An experienced person is preferred. You are prepared for shift work. You are enthusiastic and ready to work independently as well as a team. You have good English skills. Good English is a must.
