Locatie **Noord-Holland, Amsterdam**

I bought the car in November, 2022. Since then,

- The car is only used every 1-2 weeks to visit a nearby city.
- We never smoked in the car.
- Inside and outside of car is in really good condition.
- There are no problems with any systems of the car. Last maintenance is done in November, 2023, by an original BMW dealer in Amsterdam. In this maintenance, brake pads (front and back) and front wheels were renewed in addition to other checks.
- The car stayed in our indoor parking garage most of the time.

You can contact me via my contact details in English. In working days, I prefer a message instead of call because of work. When we arrange together, you can come and see the car in.
