Hi.

I'm selling this Aprilia Pegaso I.E. from 2002 in great condition. With a reliable Rotax engine as the BMW f650GS.

Great all around motorcycle. Can be driven with A2 license.

With 34500Km

I bought it in July 2023 and since then I have done:

- Valve clearance check - Was under specs - New valve cover gasket and sealants
- New Battery
- Oil (Motul) and filters changed
- Front and rear sintered break pads (as new still)
- Break oil change (Motul)
- New clutch cable
- New front suspension retainers
- New spark plug

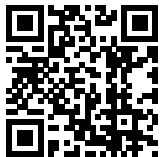

Extras:

I now that you can easily find a cheaper Aprilia R150, what I don't know, is if you can find one in the condition of this one. Put gasoline and enjoy.
