I'm the second owner of this car and selling this because I recently bought a new car and now I have 3 cars and in amsterdam I can get parking permit for only 2 cars. I have recently carried out maintenance like battery change , exhaust system change , brake pads change , air filter , oil filter and oil change . Please note there is Small damage in the front as shown in the picture and airco also needs service. Car is just 172km run and Motor of the car works well .
