Gezocht metaalbewerker bij Signify in Eindhoven.

We're looking for a Technical Assistant Mechanical to join our Innovation labs team at Signify Research in Eindhoven.

Working for Signify means being creative and adaptive. Our culture of continuous learning and commitment to diversity and inclusion creates an environment that allows you to build your skills and career. Together, we're transforming our industry.

As the world leader in lighting, we're constantly ahead of the curve. Through our leadership in connected lighting and the Internet of Things, we're breaking new grounds in data analytics, AI, and smart homes, offices, cities and more!

Signify is one of the few companies in the world to achieve carbon neutrality and our next sustainability goals are even bolder: doubling our positive impact on the environment and society by 2025.

As a Technical Assistant Mechanical, you'll be responsible for delivering rapid mechanical prototyping services to a diverse set of clients in Signify Innovation and Businesses.
