We've been using this car for 2 years, and selling because we bought an electrical vehicle recently. It's a really nice car, it has 360 camera system and it's very spacious (it's the largest hatchback car in C-segment). It has trailer tow, and has extra 4 winter tyres set. All maintenance has been done in Nissan's official service. The booklet is available. Please get in touch for more. Viewing is possible in Nieuw.
