

## BMW F850GS Full Opties veel extras 17000 km ZGAN (13.950 EUR)

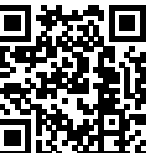

Locatie **Zuid-Holland, Schiedam**  
<https://www.advertentiax.nl/x-1869066-z>

Daar ik oriënterend bent naar een andere BMW ,waarschijnlijk R1200GS of S1000XR  
 Bied ik mijn zeer nette,complete en schadevrije F 850 GS aan  
 Motor is een originele Nederlandse Motor van april 2019 en sinds begin april 2022 in mijn bezit  
 Km stand 17000 en word nog mee gereden , dus loopt iets op  
 Volgende beurt bij ongeveer kilometerstand 24500  
 Motor is voorzien van nieuwe banden, Michelin anakee adventure

Voorzien van alle mogelijk optie's

Extra optie's gemonteerd:  
 Valbeugels motorblok  
 Valbeugels tank  
 Grotere aluminium keienvanger onder motorblok  
 Bescherming koplamp  
 Verstelbare smoke windscherm ( origineel aanwezig )  
 Katalysator vervangen voor RVS pijp ( originele katalysator aanwezig )  
 Akrapovic uitlaat ( origineel aanwezig )  
 Adventure voetpedalen  
 Adventure verstelbare rempedaal

|                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                |
