

DLS A3 versterker

Locatie Zuid-Holland, Schoonhoven  
<https://www.advertentiex.nl/x-1876962-z>

Prachtige versterker!

- AMPLIFIER CLASS AB
- MONO BRIDGE MODE 1.33 OHM 1000 W RMS
- MONO BRIDGE MODE 2 OHM 870 W RMS
- MONO BRIDGE MODE 4 OHM 550 W RMS
- OUTPUT POWER IN 1 OHM 2 X 425 W RMS
- OUTPUT POWER IN 2 OHM 2 X 270 W RMS
- OUTPUT POWER IN 4 OHM 2 X 150 W RMS
- DAMPING FACTOR > 200
- S/N RATIO, A-WEIGHTED > 100 DB
- INPUT IMPEDANCE, HIGH LEVEL N/A
- INPUT SENSITIVITY 0,2 – 7 VOLT
- INPUT IMPEDANCE > 10KOHM
- FREQUENCY RANGE 10 HZ – 50 KHZ
- HIGH PASS FILTER 20 – 200 HZ
- LOW PASS FILTER 50 – 125 HZ
- LOW LEVEL OUTPUT NO
- EXTERNAL COOLING FAN TERMINAL YES
- HIGH LEVEL INPUT WITH AUTO START NO

|                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |
