Onyx Boox Air Note 1 in excellent condition, complete with a protective case and stylus pencil. Immerse yourself in the ultimate e-reading experience with this advanced digital note-taking device. Featuring a high-resolution display, intuitive interface, and seamless stylus integration, it's perfect for annotating, sketching, and organizing your digital library. Whether you're a student, professional, or avid reader, elevate your productivity and creativity with the Onyx Boox Air Note 1.

ONYX BOOX Note Air is an e-book reader designed for reading large-format documents. It got an E Ink Carta screen with a diagonal of 10.3 inches, backlit Moon Light 2 and Asahi protective glass. The new Qualcomm processor has 8 cores, clocked at 1.8 GHz, which, in combination with 3 GB of RAM, allows you to quickly and comfortably work with documents in PDF and DjVu formats, and the WACOM sensor makes it possible to take notes both in a separate application and directly in the text. The model is based on the Android 10.0 operating system, which allows you to install third-party programs from the ONYX app store and other sources. And thanks to the Wi-Fi module, you can access the Internet, use a browser and connect to network libraries. The wide side field allows you to hold the device with one hand for a long.
