Nice boat for weekend excursions or for club sailing races!

The boat is currently in the winterstalling in Leimuider (by jachtwerf Kraan) and at the end of april will be moored by the WV Braassemmermeer.

The boat is functional and ideal for easy sailing and get started with sailing races. The boat can hold 4 people (with 4 beds), kitchens and toilet. The interior finish is ok but not great (the aft cabin had some water damage a few years back, and now it is mainly used as sail depo), but you can still have loads of dinners at sunset or have a gezellig night with your partner watching the stars from the cozy double bed forward :).

The engin is a bit old, but strong with a big propeller, it has electric start and charges a battery for the interior light. Sails are a bit old, but functional and the boat is really fast upwind. Downwind not so fast, but mainly because of lack of a spinnaker. There is a bolle jan, but not really sure how to use it.

The keel is retractable which is good if you need to go in shallow canals. Also the mast can be removed with a neat system (I can do it even alone). The rudder is brand new (made last winter)!

Overall, a lot of fun for little!
