I want to sell my BMW since I will be moving away in a couple of months.

My car is clean and very well maintained, I have always done maintenance on time (when required as per the car computer), and the maintenance was always carried out at Severs Breeman official BMW dealer, at their workshop in Rotterdam (Autolettestraat 20) .

There are currently no issues with the car and nothing to complain about, it works perfectly, and the car is also very economical (it drives around 400KM / 20L of Gasoline).

My desired selling date would be around 1st week of May.

Please contact me if interested, and only serious offers.

Note: I only speak.
