

AOC Q27P1 Desktop Monitor (140 EUR)

Locatie **Zuid-Holland, Leiden**
<https://www.advertentieX.nl/x-1887583-z>

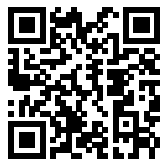

Used AOC Q27P1 desktop monitor. Condition is like new with no visible damage. Everything works as new. Provided is a power cable and HDMI cable.

Some features include: height adjustment, pitch adjustment, rotational adjustment, tilt adjustment, USB hub on the side of the monitor and built in speakers. This is a very good home office monitor that I have used as a main display and a side.
