

## Iphone 4s wit (60 EUR)

Locatie Zuid-Holland, s-Gravenhage  
<https://www.advertentiax.nl/x-189310-z>

Leuke iphone 4s met 16 GB zit vast op configuratie scherm.  
 Doet het voor de rest prima.  
 Kan eventueel ook in Rotterdam opgehaald.

|                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |
