

HPE DL380 Gen9, 2x Xeon 8C E5-2680 v4 2.4GHz, 64GB (4x16GB),

Locatie Noord-Brabant, Oudenbosch  
<https://www.advertentiax.nl/x-1895834-z>

HPE DL380 Gen9, 2x Xeon 8C E5-2680 v4 2.4GHz, 64GB (4x16GB), 3x 960GB SSD SATA , P440 2GB Smart Array, 2x PSU, Rails  
ID: 340354, SKU: 168168001, Plaatsingsdatum: 2024-01-17 13:04:31  
Aantal voorraad: 10 (bij plaatsing)

Brand: HPE  
Model: DL380 Gen9  
Behuizing: Rackmount 2U  
Processor: 2x Xeon 8C E5-2680 v4 2.4GHz  
Geheugen: 64GB (4x16GB) DDR4-2400Mhz ECC Reg  
Harde schijf: 3x 960GB SSD SATA  
Optisch: No-DVD  
Netwerk: 4x1GbE Network Adapter

|                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |
