Alienware AW3423DW for sale.

I have owned the monitor for almost a year now and use it for gaming on my PC or PS5. I am selling the monitor due to purchasing a new 4K resolution monitor. The invoice, including the warranty documents, is available. Unfortunately, I don't have the box because I live in a small place and don't have enough space available.

It can be seen working, and it is only for picking.
