

## Dell PowerConnect 6224 - 24 gigabit, 4 sfp (100 EUR)

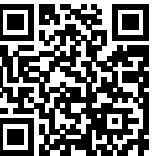

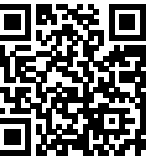

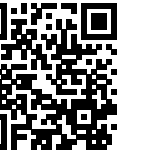

Locatie **Overijssel, Enschede**  
<https://www.advertentiax.nl/x-1895863-z>

Managed netwerk switch van Dell, een goeie tijd in gebruik geweest maar nu overgestapt naar 2.5 gigabit. De ventilatoren zijn vervangen voor stillere versies maar de oude oude krijg je er ook nog bij.

24x gigabit met 4 sfp combopoorten  
 4x 10 gigabit SFP+ poorten aan de achterkant

|                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |
