

## Mercedes S-Klasse 500 Aut7 4M 2013 in zeer goede staat (38.950, EUR)

Locatie **Noord-Brabant, Eindhoven**  
<https://www.advertentiax.nl/x-1907064-z>

Zeer nette auto met slechts 109000 km. op de teller.  
 Onlangs gekeurd en een beurt gehad.  
 Zeer veel optie's waaronder.

|                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                           |
