

Motorola g8 Plus (Like new) (99 EUR)

Locatie **Zuid-Holland, Rotterdam** https://www.advertentiex.nl/x-1907409-z

I am selling my Motorola Cosmic blue, which looks and works as if would be new. This was my works telephone so the use that I gave was much less than my personal telephone. It has a back camera of 48MP and front one of 25MP. It has 64 GB of storage capacity with the possibility of adding a Micro SD card + 1 SIM or It can work as dual SIM. Any questions let me know. I am open to offers. It does not include USB C charger.
