

Yamaha XJR1300 (3.500 EUR)

Locatie Zuid-Holland, Delft
<https://www.advertentieX.nl/x-1907870-z>

Yamaha XJR 1300
Year: 2000
Km: 43.xxx km
Engine: 1251cc Inline-4, 98HP (72kW), 108Nm
Dry Weight: 230 kg

Sadly I am leaving the Netherlands and have to sell this beauty. The inline-4 is a real joy - it has lots of torque across the whole RPM range but is very predictable and forgiving. The bike is a true allrounder and easy to drive for its weight and power!

Technically it is in very good condition. See below for fixes and services over the last 3.5 years that I owned the bike.

04/2024 New Chain and Sprockets
06/2022 New Clutch Plates
06/2021 38.000km New Pirelli Tires

03/2023 41.000km Service
05/2021 41.000km Service

Please get in touch to organise a viewing (located in Delft) or if you have more
