

## Ducati 888 Desmoquattro (851 Strada) (bj 1992) (6 EUR)

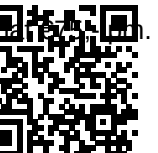

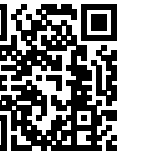

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentieX.nl/x-190825-z>

Ducati 888 Desmoquattro (851 Strada)  
 Tellerstand: 53.318 km  
 Kenteken: MJ-DV-88  
 Bouwjaar: apr 1992  
 Kleur: Rood  
 Cilinderinhoud: 888 cc  
 Aantal cilinders: 2  
 Vermogen: 72 kW (98 PK)  
 Wielbasis: 142 cm  
 Ledig gewicht: 200 kg  
 BTW/Marge: Marge (Bedrijven kunnen geen BTW terugvorderen van de belasting)

### Opties en accessoires

50mm bochtenBrembo radiale rempompGemodificeerde clutch korfGP achterbrug (quick release)Termignoni dempersWave disc (voor en achter)  
 Een schitterende Ducati. De motor verkeert in zeer goede staat en is goed onderhouden. De motor is voorzien van een gereviseerd en ge-blueprinted 916 blok, dit blok is ook voorzien van SPS koppen. Door de motor bij de revisie te blueprinten zijn alle onderdelen het beste op elkaar afgestemd (= beste prestaties en levensduur) Dit alles is uitgevoerd bij Desmopoint (Joop Sangers)

|                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |
