Well-maintained Kia Pro Ceed from 2015. Same owner since 2019, 2nd owner. Each service happened on time at the official Kia dealership. Maintenances are registered in the service booklet, and related invoices are stored.

The following maintenance is an oil change only in 1 year or 15.000km.

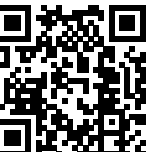

Rest assured, this vehicle comes with a clean history, free from any accidents, floods, or significant damages. As the second owner, I can personally vouch for its reliability. The car was originally registered in the Netherlands, ensuring it's a legitimate import and not a gray market vehicle.

The car is in excellent condition but has minor aesthetic defects.

This car is in perfect working condition. I have not encountered any issues during my ownership, ensuring a smooth and hassle-free driving experience for the next owner. With this car, you're not just getting a reliable vehicle, but also a host of additional features. These include the original car mats, detachable towbar, a set of summer tires on Kia alloy wheels, and a set of winter tires on Kia wheels. The wheels even come with a 'lock' feature to deter theft.

If you wish, you can take the car for a complete inspection before purchasing.

Also available for sale (the car is supported by a 2-year warranty) automatically.
